

Poster Guidelines

Following you will find information that will help you prepare for your participation in the technical program at the 2016 Meeting. We are glad to have you with us and hope the experience is a good one. Much of the following material is patterned after that used at previous Annual Meetings.

CHANGE IN SPEAKER OR CANCELLATION: As a courtesy to the audience, please let us know as soon as possible if there is a change in your presentation. If there is some last minute difficulty, please arrange for someone else to present your poster rather than canceling it. For changes in speaker or program prior to the meeting, please call the ASP Secretariat, (703) 790-1745, FAX (703)790-2672 or email Lori Strong at LStrong@BurkInc.com.

INFORMATION FOR POSTER PRESENTATIONS

1. Poster boards will be in the Exhibit Area with numbers corresponding to the numbers in the program. For your display material, there will be a horizontal, free standing 4'h x 4'w (1.22m x 1.22m) composition board. Boards may be an inch smaller in either direction. Electricity will not be available at every board. If you will need electricity at your board, you must also inform the Secretariat and you are responsible for paying to have it at your board.
2. Each author is responsible for assembly and removal of their presentation. Set up is scheduled for Sunday **between 3 and 6 pm**, with tear down on Thursday **between 10:30 am and noon**. **Posters not removed by noon on Thursday will be removed and ASP is not responsible for materials lost or damaged.**
3. Presenters should bring their own materials for attaching illustrations to the composition boards (staples, stapler, tacks, pins). Please do not use tape. Materials left on boards after the removal deadline will be taken down and discarded. **ASP accepts no responsibility for material that may be lost or damaged.**
4. There are a number of websites to assist you with preparing your poster, please see the following websites for guidelines and templates.
