

ASP 2021 Symposium

June 8, 2021

The ASP is committed to providing a source of professional support and community for our members. The **2021 Symposium** of the **American Society for Photobiology** will reach a broader international viewership than ever before! This event will include a celebration of Theresa Busch's 20th anniversary at the University of Pennsylvania.

The 2021 meeting will be held virtually on June 8, 2021 in two sessions – 11:00 am – 1:00 pm and 2:00 pm – 5:00 pm.

We are offering a limited number of sponsorship opportunities for this series of online educational courses to its valued partners.

Support the important work of the ASP while gaining exposure for your organization by reaching directly to the most comprehensive audience in the field of photobiological sciences.

For the rate of \$150 as a "Presenting Sponsor" your organization will receive –

- Sponsor logos on the first and last slide of each webinar
- Sponsor logos on the email marketing campaign
- Sponsor logos with weblink on webinar landing page
- Sponsor tags on social media posts

For the rate of \$300 as a "Title Sponsor" your organization will receive –

- All opportunities listed above and
- Host a one-time 2-minute recorded video between sessions (*during the course of your choice based on availability*)

Thanks to our dedicated partners, ASP remains on the forefront of the photobiological sciences.

Do not miss out on this opportunity to virtually reach your target audience in this time of social distancing.

For more information on the ASP and how your organization can benefit from partnering, please contact Amy Sullivan at sponsors@photobiology.org
