

# BECOME A SPONSOR OF THE ASP!

The [American Society for Photobiology](http://www.photobiology.org) is a global community dedicated to promoting the photobiological sciences. Sponsorships help to support ASP's programs and initiatives to promote the multi-disciplinary fields of photobiology and photochemistry fields.

## Sponsorship Packages Include:

- Logo with weblink on ASP website, [www.photobiology.org](http://www.photobiology.org)
- Sponsorship acknowledgment during ASP monthly webinars
- Logo on sponsorship slide for the ASP monthly webinars
- Sponsorship acknowledgement with logo in ASP Newsletter
- Sponsorship acknowledgement with tags on ASP social media channels
- Exclusive sponsorship and advertising opportunities at ASP meetings
- Job postings on ASP website to reach a more targeted audience
- ASP individual membership for one individual that includes online access to *Photochemistry and Photobiology*

For more information on how you can support the vital work of the ASP while gaining exposure for your organization to our ever-growing community, visit our web page at [www.photobiology.org](http://www.photobiology.org) or email us at [sponsors@photobiology.org](mailto:sponsors@photobiology.org)
